

"WE NURTURE LIVES"

OUR VISION

To strive for better and better, not resting on one's laurels; seek solutions not excuses, deliver results and serve the community by providing quality education.

"An investment in knowledge the best interest"

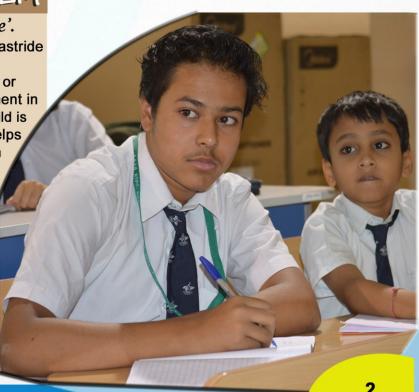

OUR MISSION

- To develop scholastic personalities and impart knowledge to maximize skills and competences.
- To impart wisdom that transforms mere knowledge into a meaningful initiative and enterprise for a harmonious and prosperous society.
- To provide holistic education to society as a whole without prejudice or discrimination.
- Equip the child to meet all challenges - social, moral and intellectual and comprehend human values.
- To make students responsible, law abiding and enlightened citizens of a global society.
- Instil traits of team work, empathy, patience, perseverance and respect of elders and mentors.
- To ensure sensitivity and commitment to environment and all beings to save the planet for future generation.

THE SCHOOL EMBLEM

'O swan lead us to knowledge'. And it is depicted in the image of a child astride a soaring swan moving constantly to new heights of learning and excellence. Swan or 'hansa' is a revered symbol of enlightenment in Indian mythology, and we pray that your child is guided by the pure and wise swan that helps him or her embark on a new journey each day, to new horizons. The school's mission is to let Bal bhartians soar beyond their capabilities, enveloped by the halo of their teachers who are always there to guide them. Bal Bharati emblem comprising the child on the swan - along with the school motto - has recently undergone a makeover. It is part of the school's ongoing endeavor to keep in sync with the changing times, without compromising on its core values.

"One child, one teacher and one book can change the world"

"The future belongs to those who believe in the beauty of their dreams."

MY ACCOLADES

International School Award (ISA)
by British council

It is the 1st school from Bilaspur and 4th school from Chhattisgarh to have bagged the award.With the vision to

1 selected to IIT Chennai for Social Sciences.

1 student has achieved 334 rank

in JEE Adv.2015 being among the 3 students of Chhattisgarh.

"Goals are the fuel in the furnace of achievement."

Beyond Academics

School shouldn't be just synonymous to erudite knowledge. Lives should have the freedom to soar high in the creative sky. We need to keep moving forward, opening up new doors and doing new things, because we're curious...and curiosity keeps leading us down new paths. Everyone has their own ways of expression. And we believe it is our duty to lighten up that path for our students by leading them to new creative challenges. As the Saying goes-"The true sign of intelligence is not knowledge but imagination."

How We Facilitate

The school has always envisioned for the holistic development of every child. So it brings to its students every facility for the child's growth.
