## From Principal's Pen...

Only as high as I reach can I grow,  
Only as far as I seek can I go,  
Only as deep as I look can I see,  
Only as much as I dream can I be.

*The pandemic has seen the onset of an entirely different pedagogy for which none of us were prepared. But with passage of time, we have grown IT savvy and could conduct online classes, assessments, activities, competitions and celebrations. Our students have been engaging exceptionally well with all of them and bringing laurels to the school. During the months of October, November and December a lot has happened including Virtual Annual Function and Prize distribution ceremony, celebration of festivals, various interschool activities and online assessments.*

*Staff has been recognizing talents of individual students virtually for various activities. Dear parents, your ward continues to be involved in many exciting and rewarding learning experiences. The time that you and your child spend discussing and identifying goals during pandemic is a valuable investment in helping them to plan for improvement and success at school and in life.*

*I thank all the parents for being such a support during pandemic. Without your support we would have never achieved whatever we have achieved.*

*I would like to extend a special thanks to our school council members for their active involvement in all the activities.*

*I hope that with the arrival of vaccines we would be able to unite with the students in our journey of learning.*

*On behalf of the staff, I wish you all a safe and happy living.*

# TINY TOTS IN ACTION

## GLIMPSES OF DIWALI IN CLASSROOM

Students were engaged in some exciting and fun-filled activities to make their Diwali more creative! With all the little wonders at home, teachers needed a plethora of activities to keep them occupied and at the same time strengthen the relation of love, bonding and accelerate affection and appreciation in them. Students decorated diyas, made lamps, candles and rangoli.
