| 11. Sing | 12. Shake |
| 13. Swim | 14. Teach |
| 15. Tear | |

SCIENCE

1- Learn Chapter 1

2- Paste the coloured pictures of crops that are examples of Kharif crops and Rabi crops. Four crops in each case.

MATHS

1) Make a beautiful wall hanging and a toran (door hanging) with various decorative items which resemble geometrical shapes / figures.

2) Collect information about any two Indian Mathematicians and their contribution to the subject. Paste their pictures also. (Use A-4 coloured sheet to do this activity)

3) Learn tables from 2 to 20

4) Revise ch 1 in both the books (Maths volume 1 and mental math)

SST

With the help of pages from old magazines make paper pipes. Using these pipes make a tray 6/6 inches. Decorate and colour it. Show your creativity and imagination to enhance the beauty of your creation.
