Summer Assignment: "My Colourful Leaf Album!"

Objective: Explore the beauty of nature through fallen leaves!

Instructions:

### 1. Leaf Hunt Adventure:

Go to your nearby garden, park, or even your own backyard. Collect 10 different fallen leaves (no plucking, only fallen leaves!).

### 2. Leaf Drying Station:

Place each leaf carefully between two sheets of newspaper. Stack some heavy books on top. Leave them for one week to dry properly.

### 3. Album Creation Time:

Take an old notebook or scrapbook. Decorate the cover and title it "My Leaf Album".

### 4. Paste and Present:

On each page:

Paste one leaf neatly.

Write the plant/tree name below it.

Describe the leaf in two short sentences (Colour, Size, Shape). Example –

"This is a Mango leaf. It is dark green, long and thin."
